

Riparian Areas: A User's Guide to Health

Authors: Lorne Fitch, P. Biol.
Norine Ambrose

What's in this Guide?

In this User's Guide to Health you'll find:

- ◆ An introduction to riparian area health
- ◆ Help in determining what is a riparian area
- ◆ Information on what riparian areas do, and why this is important to us
- ◆ A wake-up call for riparian health
- ◆ How to tune your eye so you know what is measured and how to use the results of riparian health evaluation
- ◆ Taking the next step - where to begin to improve riparian area health
- ◆ Standing back and looking at the bigger picture - the watershed
- ◆ Where to find additional information, resources and advice
