

Acknowledgments

Funding:

The Cows and Fish program gratefully acknowledges the financial support provided to the development of "Riparian Areas: A User's Guide to Health" by the following agencies and initiatives:

Alberta Environment

Alberta Sustainable Resource Development

Alberta Agriculture, Food and Rural Development

Agriculture and Agri-Food Canada (PFRA)

Canadian Adaptation and Rural Development Fund

Technical Support:

The following people are field practitioners of riparian health evaluation and contributed their ideas and experience to this document: Greg Hale, Michael Gerrand, Michael Uchikura, Kerri O'Shaughnessy, Kelsey Spicer-Rawe, Nicole Bach, Suzanne Witham, Sasha Duquette, Jamie Iwaasa, Barry Adams, Darlene Moisey and Gerry Ehler.

Dr. Paul Hansen, William Thompson and Bob Ehrhart, through their research, teaching, publications and leadership, provided inspiration and support for the development of riparian health evaluation tools for Alberta.
